

Performance Inflatable Boats

We didn't raise the Bar..., We are the Bar

WE Finance

WolfCub Discovery

The WolfCub and Discovery are the hunting & fishing models in our fine fleet. For shallow stream and lake fishing this boat shines. They come in 3 sizes, 10' 13' and 18' (pictured right and above). They can also be used as a yacht tender.

WE Finance

Predator Challenger

The Predator and Challenger are the sport models in our fine fleet. These boats come in 4 lengths, 10' (above center), 13' (right), 15.5', and 18' (above left). They are multifunctional and can be used for fishing or diving in the morning, and are ideal for pulling tubes, kneeboards, and water skiers in the afternoon.

WE Finance

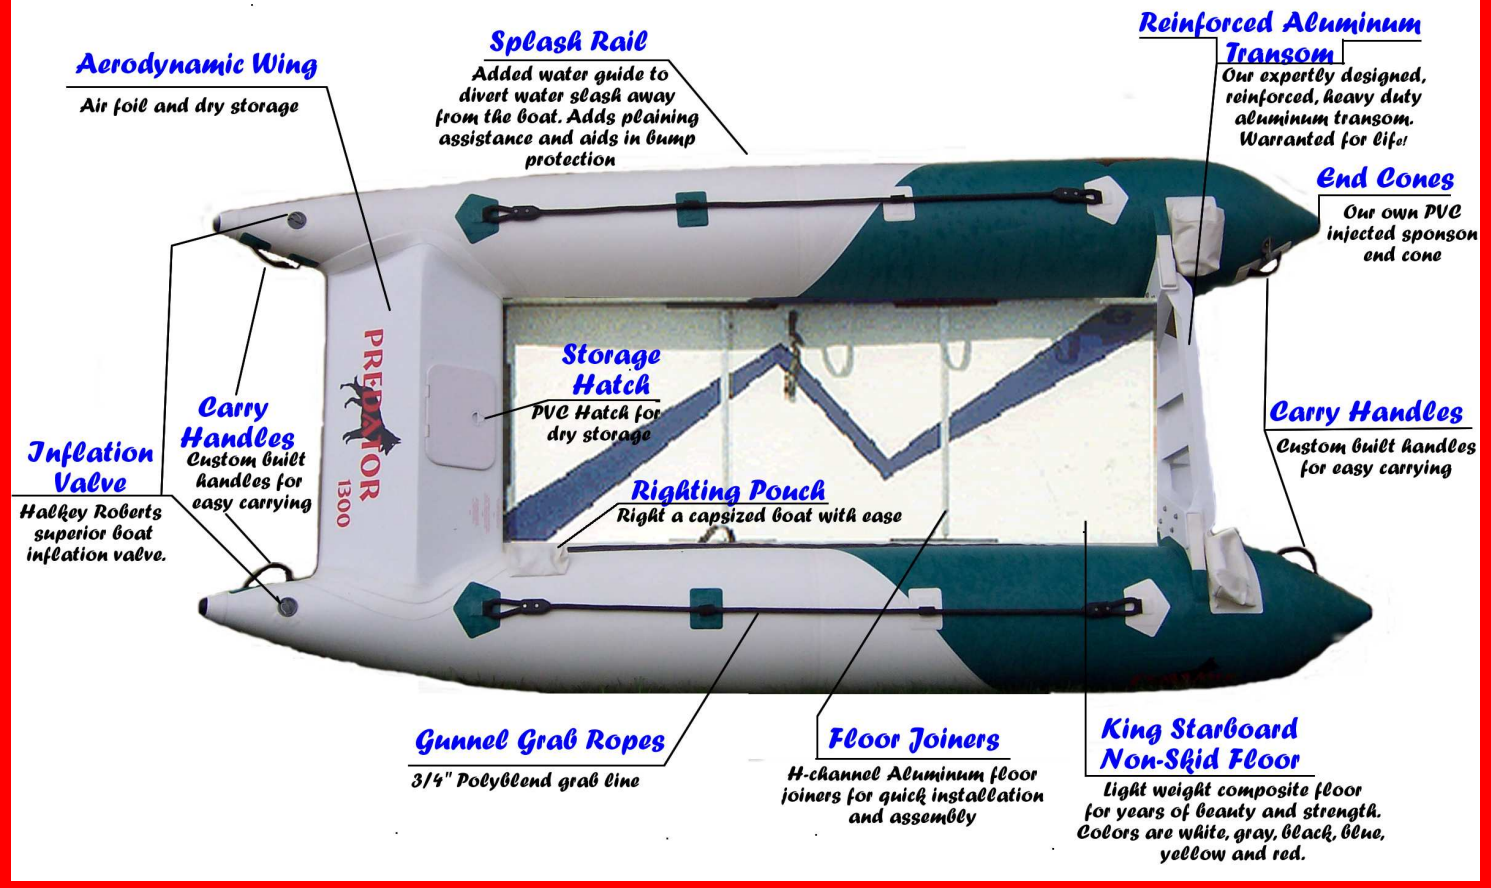

Survivor

Built FireFighter Tough

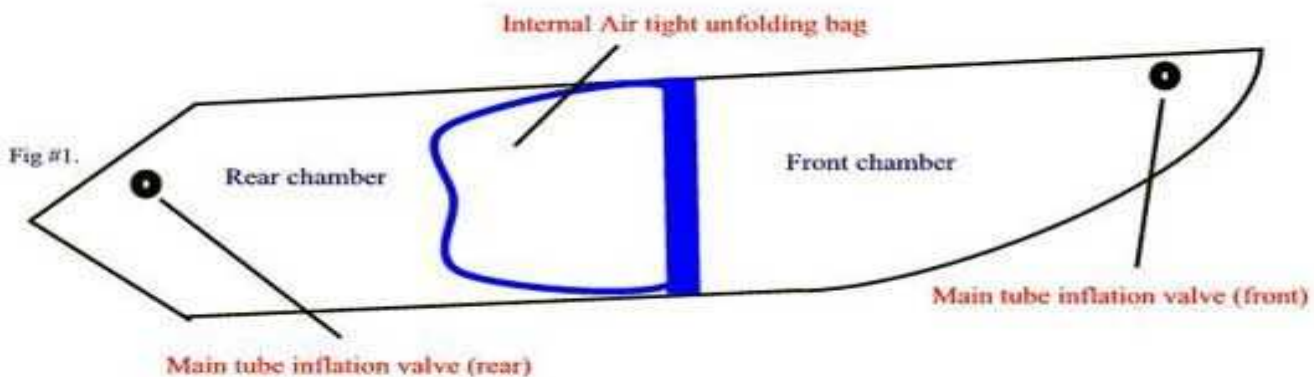

The Survivor model is our flagship. These boats come in 13', 15.5' 18', 21' and 28'. Our 18' to 28' come in 24" diameter tubes and are 10" wider at the beam. These boats handle up to 90HP and are extremely stable in rough waters.

- **SeaWolf & SuperDuxx** are boats with presence and character which are designed to be unique in every possible way.
- **SeaWolf & SuperDuxx** are boats engineered to the most exacting marine standards and built with an unerring commitment to quality. They are boats that define craftsmanship. There are simply no other boats that are so fundamentally correct. Both concept and execution have been worked out to the last detail.
- **SeaWolf & SuperDuxx** are boats that enable you to escape, relax and unwind. Shared with family and friends or appreciated by you alone.
- Above all **SeaWolf & SuperDuxx** are boats to be treasured and enjoyed again and again.

Fig #1. P.D.E. Technology

In the event of puncture, the internal airtight bag would unfold to assist the chamber in distress. (front or back) Offering air displacement for continued safety!
